

# The THIEL SCS4 Reviewed

## Dean Seislove, Positive Feedback Online Didn't Like 'Em ... At First

But after advice from THIEL's trusty PR man, Micah Sheveloff, Dean impatiently waited through the break-in period to discover that the SCS4s are "definitely worth the wait."

## Johnathan Blum, TheStreet.com, January, 2009

"Bottom line: Jim Thiel has made a lot of box for the money. And if you are looking for ways to drown your sorrows these dark days, he has given you another option besides scotch."

## Steven Kim, Engadget HD, January 2009

"... the imaging performance of the SCS4s was every bit as good as we'd expect from THIEL. But really, it was the sonic coherence that really blew us away."

## Robert Archer, cepro.com, February, 2009

"The SCS4 sounds a lot bigger than what you would expect from a bookshelf."

## enjoythemusic.com Enjoys the THIEL SCS4 and SS1

## THIEL SCS4s Receive an Overall 96 Excellent

### by Home Theater Magazine

Steve Guttenberg thinks Jim Thiel "must be a magician. At least that's what I thought when I first heard his newest speaker, the SCS4." [Click here](#) to download a pdf of the complete Guttenberg review.

## John Potis from positive-feedback.com

All of us at THIEL are saddened by John's passing. John was a good friend to THIEL for many years, and a trusted reviewer in the industry. We extend our deepest sympathy to John's family and cherish this last THIEL review by John, published on positive-feedback.com. John was impressed with the SCS4 and claimed the SCS4 " ... is not only a class leader but one fantastic value — possibly Thiel's best value ever."
